

TASK TO COMPLETE FOR AN DOCUMENTARY

Technology

Video Editor	Identify program and computer to use for video creation.
Google Folder	Create a Evidence Folder to storage visual and video files for project
Video Downloading & Editing	Identify online video downloading websites to save videos https://itube.aimersoft.com/download-youtube/top-website-to-download-youtube-videos.html Video clip editor: http://online-video-cutter.com/

Narration (Script Storyboard)

Finalize Script	Transfer key argument sentences to 'Website Mockup Chart' from written paper.
Storyboard Narration	After teacher approval, Transfer key argument sentences to 'Website Mockup Chart' from written paper. One sentence per slot. (CHECK GRAMMAR)
Time Limit	Check read narration is no longer than 10 minutes. (No shorter than 7 minutes)
Background Music	Any music use must be relative to the subject. Instrumental preferred.

Visual Evidence (Storyboard)

Visual Evidence	Insert gathered primary source into 'Storyboard' (Link to videos in Google Drive) Every sentence of narration must match a unique primary source visual. Number image files in Google folder for easy assembly during production.
Interview	Attempt to include multiple interviews highlighting argument. It can be a personal interview conducted or from another source.

Project Construction

Narration	Record narration by paragraph segments and insert into audio section. Narration must be done by students of project.
Visual Evidence	Insert images in order and adjust time to match length of sentence. Take transitions into account for timing.
Titles	Project title should be visible before thesis. Section titles are optional.
Transitions	Transitions should remain simple and non-distracting.
Music	Adjust music volume to not overpower narration.

Documentation

Video Credits	Check that all visual evidence has been cited within video if need (copyright items such as motion pictures)
Interview Credits	For each interview, provide information as onscreen text to include speaker name, role of speaker, and source.
End Credits	At the conclusion of the documentary, you must provide a list of acknowledgments and credits for sources such as music, images, film/media clips, and interviews. These credits should be brief—not full bibliographic citations and not annotated. Credits count in 10 minutes.
Research Description	Share with teacher the Research Description (500 words) file.
Annotated Bibliography	Share with teacher the Annotated Bibliography file It needs to be alphabetized and separated into primary and secondary sources.

Project Submission

Google Drive	Upload video in .MP4 format and share with teacher.
